# Digital Workspace and Innovation

Impressive Forms of Presentation and Hybrid Forms of Cooperation create Space for Creativity and Efficient Results

By connecting several screens, sequences from the movie "Minority Report" become reality. New, innovative forms of presentation are created, which easily transition into work, analysis or creative phases. All the necessary collaboration tools for working with participants in the room and across room boundaries are also available. In combination with an integrated multi-touch table, fascinating interactions between real products and virtual media leave a lasting impression on all participants.

- ✓ Inspiring Worlds of Experience and Working
- ✓ Brand Staging or Creative Teamwork
- ✓ Networking of Screens and Presentation Devices
- ✓ Interaction between Real and Virtual Content
- ✓ Intuitive User Guidance, Modern Work Forms
- ✓ Efficient Team-Work with Wow Effect
