Solutions for all Areas of Application in your Digital Corporate Communication

Trade Show and Event

Marketers are faced with the problem of what to show live and how, despite cost pressure, a holistic overview of the portfolio can be conveyed. For a successful sales process, numerous tasks must be accommodated in an often tight visitor time slot.

- ✓ Present information easily and distribute it in a targeted manner
- ✓ Easy data maintenance, manual and automated
- ✓ Make success measurable

Solution examples: [Information and Kiosk Systems](#), [Touchscreen Table](#)

Retail

Benefit from all the advantages that a digital shop window brings. Reach your customers with digital advertising on the sales floor exactly where their buying action is influenced. Different designs, colors or sizes can be displayed interactively.

- ✓ Staging products and brands
- ✓ Inspire customers and employees
- ✓ Making success measurable

Solution examples: [Digital Sales](#), [Information and Kiosk Systems](#)

Museum

A museum makes topics from past times and the present come alive. With smartPerform, graphics, content, functions or games are combined into a digital, interactive exhibition in the shortest possible time and complex topics are conveyed in a vivid and entertaining way.

- ✓ Modernize your exhibition world
- ✓ Automate operational processes
- ✓ Save costs

Solution examples: [Information and Kiosk Systems](#), [Touchscreen Table](#)
